

Upcoming Events

Father's Day tournament, June 19th; 666 format (scramble, best ball, alternate shots). Women can play too! Starts at 9AM.

Other events being planned include wine tasting, longest drive contest, and family night – stay tuned.

Thursday Clinics

With support from the Copper Mountain Resort Program, MMGC is able to continue its free clinics to introduce golf to all interested individuals. Clinics began May 26th with the first clinic devoted to golfers who have never had a golf lesson. Clinics for beginners will start at 5:45 PM followed by the advanced clinic at 6:45 PM. A more detailed schedule is posted at the clubhouse. Please email Mike at mdoleary@sbcglobal.net with questions.

Junior Golf Program

Junior clinics start June 21st and run for 8 weeks. Beginners at 9 - 10 AM and the advanced class from 10:15 - 11:15 AM. Sign up thru the Lake County Recreation Department. Participants in Junior clinics qualify for a free membership (excludes water fee of \$1 for each nine holes).

Fundraising and Donations

The MMGC Board has set a season fundraising goal of \$5000. Funds will contribute to improvements at the driving range including a new hitting mat (\$2000), targets and distance markers as well as improvements for the course. Tax deductible donations can be made to Mount Massive Golf Course through the Lake County Community Fund. MMGC is listed under the

tab "Donate to Fiscal Funds" <https://lakecountycommunityfund.org/donate/donate-to-our-fiscally-sponsored-funds/>. There is also a donations jar in the clubhouse.

Volunteer Opportunities

Leave your name & desired contact information with clubhouse staff if you can assist.

- Weeding and cleaning out flower beds around the clubhouse; leave info or contact Cheryl Johnson and we will set a June date/time. crjmassive@gmail.com
- Clubhouse deck improvements and painting
- Signage for Photo op sight by #8 green.

Clubhouse Staff

Current Clubhouse staff include: Gaiten , Cryslin, Melissa Charland, Matt, Brittany, Lucas Johnson. IN addition to merchandise, sandwiches and light snacks are available.

Grounds Update – Katy Crook, Grounds Manager

Summer and another golf season are upon us, and we look forward to seeing everyone out at the course. Winter treated the course well and I think we are in great shape going into this season. We are limited on water for irrigating the course so hopefully we will be able to secure more water rights and start seeing some afternoon showers.

The maintenance crew has been busy. We had a couple of irrigation leaks at the beginning of the season which required us to have to water during the day and dig up a section of water line near the #2 cart path. As things seem to be going everywhere, there was a shipping delay in getting the new pipe and parts for repair. We appreciate everyone's patience during this time, and I hope I didn't soak anyone to badly during daytime irrigating. Kyle Welch graciously lent us a mini excavator which made locating the leak and backfilling the hole much simpler and more cost efficient than doing it by hand. While we had the excavator, we were also able to locate over 20 missing irrigation valve boxes, a lot of which have been missing for years. A huge thank you to Kyle!

All of our equipment and golf carts have been serviced and received oil changes, tires have been patched or replaced as needed. We are currently only running one of the three of our triplex mowers. The other two mowers are currently out of service and will be going to Toro for repair. This limits what we are able to accomplish out on the course but we are doing our best to make it all work out. The moss on the greens is an issue that we will try to get a handle on but without all of our equipment running, this will take some time and patience on everyone's part. We are also expecting a new fertilizer sprayer to show up any day.

Craig has been out on the course on occasion and a huge help to me during this transition. He has been sharing with me his vast wealth of knowledge about all things Mount Massive Golf Course, so a huge thank you to him!

New and returning faces you may see outside on the course include Maggie Handegard, Josh McNicholas, Sean Cooper and his service dog, Susse, Eric Detmer, and Caynon Eck. I am thrilled with the grounds maintenance crew this year and the experience that they bring with them. Feel free to stop and say hi and introduce yourselves as you see us out there. I am very excited about this golf season and passionate about making our course look and play as great as possible. Thank you all so much for your support.

Other Announcements

New Golf Course Email: Americashighestgc@gmail.com

Board Member Opening: Please request an application from Cheryl Johnson, Board Secretary, at crjmassive@gmail.com

Water: Just a reminder that water is becoming MMGC's primary concern, and we will be asking for member support as we continue to advocate for our water needs. For example, this year our county water costs tripled while the allotment decreased.
